

# How do I report a concern?

---

- If you no longer have your EasyPass Clipper Card (lost or stolen), or it is not working, call Clipper at (877)-878-8883.
- To report an incident or to make a commendation, go to: [actransit.org/feedback](https://actransit.org/feedback); or call 511 and say, "AC Transit," then, "0" to reach the AC Transit Information Center.
- To report a non-functioning card reader: from inside the bus, look above the front windshield for the bus number; from outside the bus, locate the bus number above the windshield or the front door of the bus. Note the bus number, along with the date, then follow the instructions above for reporting an incident.
- To report a damaged bus stop, sign, or pole schedule, go to: [actransit.org/feedback](https://actransit.org/feedback); or contact the AC Transit Information Center at (510) 891-4777, option 2.
